THE SKY IS NOT THE LIMIT

Composites Technologies For Cross-Sector Applications

Annual Technical Seminar | 13th February 2020 | Bristol

Venue

The seminar will be held at Aerospace Bristol – a well-known Aerospace museum in Filton, Bristol, housing Concorde Alpha Foxtrot, the final Concorde to be built and the last to fly.

The venue is easily accessible from M4/M5. A taxi ride from the nearest train station at Bristol Parkway costs around £15.

SME Table Top Exhibition

The annual seminar also hosts a table-top exhibition showcasing latest innovations, products and services from industry.

- Please email Trevor Cook (trevor-cook@live.co.uk) for more information or to book your table.

Delegate Registration Fees

Fees include entry to the seminar, morning and afternoon refreshments and buffet lunch.

- ✦ Member: £ 110
- ✦ Registration including SAMPE membership*: £190
- ✦ Non-member registration: £200
- ✦ Young Engineers & Students or Retired members: £55

Accommodation

A number of hotels, including Village, Hilton, Premier Inn, Travelodge are within a one-mile radius of the venue.
